7.30 pm 19 March 2024**

Present: Anna Coates (chair), Kimberley Rivett (acting principal), Emma Sokolich, Dorothy Bigwood (principal), Jacinda, Sarah, Carla Bicknel, Kate

Apologies: Jo Catty (secretary), Jay Chen (treasurer),

Update -

- Jay's resignation. Looking for a new treasurer. Pull AGM forward maybe?

- Recap of Pizza Day and Cupcake Day -

Pizza Day - Year 6 kids are really helpful. Biggest ever pizza day! Made \$1123.00 odd profit. Was some feedback with some confusion of size / slice of pizza, have made the decision to refund the parent as the child suggested they did not get what they ordered.

Cupcake Day - \$782.00 profit. Very successful!

Suggestion of having a dairy free option when have food options available at school, we would need some suggestions of what options they would like.

- Color Run

116 registered already for color run, spot prize given, next draw soon.

Dorothy has suggested some incentives for 3 classes that get the most registrations - class set of ice blocks, the top class raising the most money - hot chip. The teacher that raises the most, half day! Teacher Team that makes the most money - \$60.00 towards a morning tea or similar. PTN to cover the ice blocks

PTN to match the money to morning tea or similar, motion by Anna and second by Holly

Goal would be an ideal of 75% of children signed up and an ideal of \$50 per child, only a loss of 10% with this company which is amazing.
