

**MEETING MINUTES FOR COCKLE BAY SCHOOL PARENT TEACHER NETWORK (PTN) FORMERLY KNOWN AS PTA INC.
7.30 pm 10 October 2023**

Meeting started 7.37pm

Present: Anna Coates (chair), Mandy Bason, Kimberley Rivett (acting principal), Karen Leach, Emma Sokolich, Coral Small, Dorothy Bigwood (principal), Jacinda, Sarah, Lisa Q, Carla Bicknel, Yolanda, Jarred Dineen

Apologies: Jo Catty (secretary), Jay Chen (treasurer), Holly Yu (Deputy Chair)

Update -

Disco - Fantastic event. Made approx \$4000 profit. Most kids we have ever had, and was least work we have done. So everything will seem to be kept the same.

Disco - No official complaints which is good. Problem with a reliever and making sure no parent/teacher takes any child out of the hall.

CBS Swimming Bags - Just a push to sell the remainder of these and send a message out to remind parents (especially new parents) these are available to purchase.

Term 4 - Fundraising

Christmas Hampers - \$5 per ticket - 5 Hampers: Road Trip hamper, Holiday at Home hamper, Ham pack, Parent hamper, Wine hamper, etc.

Friday Freeze - Kick off 3 November and every Friday after that, first friday freeze to coincide with Gumboot Friday

CBS Swimming Bags - Just a push to sell the remainder of these and send a message out to remind parents (especially new parents) these are available to purchase.

Cookie Time Fundraiser - Looking at this for a fundraiser, large bag with mini cookies. Maybe buy a load and then sell off ourselves.

Pirate Day fundraiser - for freezer. Win a jar of chocolate coins for donations. - POSTPONE

Gumbook Friday 3rd November - 100% donation, Gumboot Throws for a gold coin at lunchtime, wear your Gumboots for the day, etc Dorothy/Kimberly will check that this is ok and we can proceed with this, will get back to Anna.

Hotdog Day - Another option for fundraising

Doughnut Day - May go through to Dunkin Donuts as Krispy Kreme too expensive now, or maybe look at cupcake day again as it was a good money maker.

Ham - Hams already up on Kindo and cut off a week prior to delivery which is 11 Dec.

Carnival - Carla has suggested we really need to pick a date to make sure we get the organizers we want to use.

Colour Run - Run it over the weekend, rather than do it at school. Colour is sponsored via parent, sponsored spot prizes etc..

BOT Update -

Update on the donation from the PTN...The middle school playground upgrade!

Using the same company that did the junior school playground so there will be some synergy with the junior playground.

Timeline - Demolish 6 November, installation over Christmas and January. Hopefully ready for back to school.

And also the new Nature Trail, the same company that is doing the playground so a huge cost saving as they will demolish at the same time, we will be able to recycle some of the old middle school playground for this new nature trail. Will be installed behind Room 12 / Swimming Pool

Also mentioned about donating a tree to the new nature trail, and have a family planting day. And maybe have a plaque for the names who donated. This would be up on Kindo.

Meeting closed 8.35pm
